PROBATIONARY REQUIREMENTS, ATTENDANCES AND POLICE SCREENING

A probationary member must be personally supervised at all times by a full member holding an FAC or a range conducting officer whilst in possession of firearms and/or ammunition.

All probationers, in order to apply for full membership, require 10 signed attendances, with minimum probationary period of 6 months. In all cases the maximum period is twelve months. The attendances are to be recorded on a Probationary Attendance Form which you will receive with your probationary membership card. Only 3 attendances at a clay shoot may be used towards your 10 signatures.

Under Home Office guidelines, all applicants for probationary membership of Headley Park Rifle & Pistol Club are required to undergo a screening process carried out by Hampshire Police upon notification of such application by the Director and Secretary. Only when screening is satisfactorily completed will the application move forward to the payment stage and the applicant is sent their probationary membership card. Under no circumstances may and applicant shoot at the ranges or at Bisley until such process is completed, except as a guest permitted under the Byelaws. Additionally, you will be required to attend a ranges maintenance day.
